

Congratulations to this month's STAR Employees!!!!!!

Bayley Star Employees

Jessica Lyons-MA-C

Jessica has been a dedicated member of the Bayley team for over 19 years! She considers both the residents and staff her family and finds great reward in caring for those we serve. Outside of work, Jessica loves spending time with her family and watching shows with her kids.

Jessica was nominated by four different staff members who all had amazing things to say about her. They describe her as compassionate, attentive, and always willing to help both residents and fellow staff. She ensures that every resident feels at home, never rushes, and always gives them her full attention. Her cheerful attitude and kind spirit make her a joy to work with and be around!

Della Meyer-ES Technician

Della has been a valued member of our Environmental Services team for nearly 10 years! She loves getting to know the residents, listening to their life stories, and making them laugh. Her warm and friendly nature brings joy to those around her. Della enjoys Italian food, crafting, and playing baseball -especially as our star pitcher at the dunking booth these past few years! She also loves her dogs, spending time with her family, and proudly hails from Kentucky.

Della was nominated by a fellow employee who praised her dedication and attention to detail. She never leaves a job undone and is often seen engaging with residents, making them feel heard and cared for. Della is a great asset to our team!

Peggy Caminiti-Fitness Center Receptionist

This month Peggy will celebrate her 10 year anniversary working for our fitness center! She loves seeing all the members and working alongside her fellow employees, bringing warmth and positivity to everyone she meets! Peggy has been married to her husband Rod for 54 years. Together they have 3 children and 6 grandchildren. In her free time, she enjoys reading, sewing, and hopes to learn quilting. One of her favorite things to do is spend a whole day making homemade Italian sauce and ravioli with her family!

Peggy was nominated by both a fellow employee and a fitness center member, who both praised her cheerful attitude and willingness to go the extra mile. She is always ready to help and ensures that members get the answers they need.
